

Green Garden

Angus

2004

Fall Sale Cows

This is one of the most unique set of females ever to leave Green Garden, as the average IMF EPD is $+.29$. This puts the entire set of females in the top 1% of the breed. We have selected from several different cows families here at Green Garden. Including the Susie, Bonnie, Jilt, Di, and Anna cow lines.

These females will be available November 1, 2004. We have priced to sell them as a group at \$2000 per pair, which will be on a first come or first call priority. We have also priced them individually. If you are interested in the price list, please call us at 785 472 3752 or email us at janssen@grapevine.net.

Looking forward to hearing from you.

Bravo is an excellent carcass sire who will also reduce mature size and increase retail product. His steers averaged a moderate 75 (7.75) in John Brethour's winning entry in "The Best of Breed Contest". We love the disposition of Bravo and his progeny.
